END-USER LICENSE AGREEMENT

This end-user license agreement (this “agreement”) is a legal contract between you, as either an individual or an entity (as defined below), and parallels international gmbh and its subsidiaries (“parallels”).

READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE DOWNLOADING, INSTALLING, OBTAINING A LICENSE KEY, OR OTHERWISE ACCESSING OR USING PARALLELS’ PROPRIETARY SOFTWARE ACCOMPANIED BY THIS AGREEMENT (the “Software”).

THE SOFTWARE IS COPYRIGHTED AND IT IS LICENSED TO YOU UNDER THIS AGREEMENT, NOT SOLD TO YOU. BY DOWNLOADING, INSTALLING, OBTAINING A LICENSE KEY, OR OTHERWISE ACCESSING OR USING THE SOFTWARE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU ACCEPT AND AGREE TO BE BOUND BY ITS TERMS. IF YOU ARE ACCEPTING THIS AGREEMENT ON BEHALF OF A COMPANY, ORGANIZATION, EDUCATIONAL INSTITUTION, OR AGENCY, INSTRUMENTALITY OR DEPARTMENT OF A GOVERNMENT (AN “ENTITY”) AS ITS AUTHORIZED LEGAL REPRESENTATIVE, THEN YOU REPRESENT AND WARRANT THAT YOU HAVE THE POWER AND AUTHORITY TO BIND SUCH ENTITY TO THESE TERMS, AND REFERENCES TO “YOU” HEREIN REFER TO BOTH YOU, THE INDIVIDUAL END USER, AND THE ENTITY ON WHOSE BEHALF YOU ARE ACCEPTING THIS AGREEMENT.

IF AT ANY TIME YOU ARE NOT WILLING TO BE BOUND BY THE TERMS OF THIS AGREEMENT, YOU SHOULD CLICK THE “I DO NOT ACCEPT” OR SIMILAR BUTTON, TERMINATE THE DOWNLOAD AND/OR INSTALLATION PROCESS, IMMEDIATELY CEASE AND REFRAIN FROM ACCESSING OR USING THE SOFTWARE AND DELETE ANY COPIES YOU MAY HAVE. THIS AGREEMENT, ALONG WITH ANY ADDITIONAL TERMS OR POLICIES INCORPORATED HEREIN BY REFERENCE, REPRESENTS THE ENTIRE AGREEMENT BETWEEN YOU AND PARALLELS CONCERNING THE SOFTWARE, AND THIS AGREEMENT SUPERSEDES AND REPLACES ANY PRIOR PROPOSAL, REPRESENTATION, OR UNDERSTANDING YOU MAY HAVE HAD WITH PARALLELS RELATING TO THE SOFTWARE, WHETHER ORALLY OR IN WRITING.

1. License.

1.1. Grant of License.

Subject to your full and ongoing compliance with the terms and conditions of this Agreement, including without limitation payment of all applicable license fees, the applicable Parallels entity from which you obtained the Software hereby grants to you, and you accept, a personal, limited, nonexclusive, nontransferable (except as set forth in Section 1.6 below), non-assignable, revocable license to use the Software during the Term in machine-readable, object code form only, and the user manuals accompanying the Software (the “Documentation”), only as authorized in this Agreement. For purposes of this Agreement, the “Software” includes any updates, enhancements, modifications, revisions, or additions to the Software made by Parallels and made available to end-users through Parallels’ web site. Notwithstanding the foregoing, Parallels shall be under no obligation to provide any updates, enhancements, modifications, revisions, or additions to the Software.

1.2. Scope of Use.

Your license to use the Software is conditioned on the following license restrictions, and any use of the Software in violation of any of these restrictions, or any of the other terms of this Agreement is a breach of this Agreement and unlicensed. You may use one copy of the Software activated by a license key on a single device owned, leased, or otherwise controlled by you, at a single time (the “Authorized Device”). If you have multiple license keys for the Software, you may install and use as many copies of the Software as

you have license keys, in each case, on an Authorized Device and only as authorized herein. For purposes of this Agreement, “use” of the software means loading the Software into the temporary or permanent memory of an Authorized Device. Installation of the Software on a network server solely for distribution to other computers is not “use” of the Software, and is permitted, provided that you have a valid license key for each Authorized Device on which the Software is installed. The Software may not be used on, distributed to, or installed on a greater number of computers than you have license keys. If you use or distribute the Software to multiple users, you must ensure that the number of Authorized Devices does not exceed the number of license keys you have obtained, or you will be in breach of this Agreement and such use and distribution is unlicensed.

1.3. Additional Terms.

Depending on which Software product you have licensed and the country in which you are located, additional terms and restrictions may apply, as set forth in Exhibit A (the “Additional Terms”), which terms are incorporated by reference herein and made a part of this Agreement.

1.4. Evaluation Licenses.

In the event you obtained a trial or evaluation version of the Software, it will come with a trial activation key that activates the Software for a limited time period (the “Trial Period”). You may use the Software during the Trial Period for internal noncommercial purposes, solely to evaluate the suitability of the Software for your needs. Upon the expiration of the Trial Period you must either purchase an activation key or destroy the Software, Documentation, all backup copies thereof, and all trial activation keys that you have obtained. If you do not purchase an activation key prior to the expiration of the Trial Period, this Agreement, and all your rights and licenses hereunder will terminate at the expiration of the Trial Period.

1.5. Copies and Modifications.

Except and solely to the extent that such a restriction is prohibited under applicable law, you may not reverse engineer, decompile, disassemble, or otherwise translate the Software or any license keys you have obtained. You may not modify or adapt the Software or any license keys that you have obtained in any way. You may make one copy of the Software, the Documentation, and any license keys that you have obtained, solely for backup or archival purposes. Any such copies of the Software, Documentation, or license keys shall include any copyright or other proprietary notices that were included on such materials when you first received them. Except as authorized in this Section, no copies of the Software, Documentation, or license keys, or any portions thereof, may be made by you or any person under your authority or control.

1.6. Assignment of Rights.

You will not sublicense, lease, rent, or lend your rights in the Software, Documentation, or license keys, as granted by this Agreement, without prior written consent of Parallels, except that you may transfer this Agreement in full in connection with the sale of all or substantially all of the assets related to this Agreement, provided that the assignee assumes all of your obligations hereunder, and the licenses granted hereunder will only extend to use of the Software on the Authorized Device on which the Software was installed immediately prior to the assignment. Parallels may assign this Agreement without limitation. Any assignment in violation of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties and their respective successors and permitted assigns.

1.7. Parallels Tools.

You may distribute Parallels tools (a suite of utilities and drivers) to third parties solely when installed in a guest operating system inside a Parallels virtual machine to enhance its performance and functionality when running in a virtual machine, provided that you will be fully responsible for such third party’s compliance with the terms and conditions of this Agreement. Any breach of this Agreement by any such third party shall be deemed to be a breach of this Agreement by you.

1.8 Support and Maintenance Services; Updates.

Parallels will not provide any support or maintenance services under this Agreement. You acknowledge that Parallels has no express or implied obligation to announce or make available any updates, enhancements, modifications, revisions, or additions to the Software and that this Agreement does not give you any rights in or to any of the foregoing. Parallels may offer support and/or maintenance services separately. If you have purchased Parallels support and/or maintenance services with the Software, these services are provided to you under the terms and conditions accompanying the applicable service. Any supplemental software code or related materials that Parallels provides to you as part of any support and/or maintenance services are considered part of the Software and are subject to the terms and conditions of this Agreement.

2. Intellectual Property and Confidentiality.

2.1. Use Reporting, License Violations and Remedies.

Parallels reserves the right, and you authorize Parallels, to gather data on key usage including license key numbers, Authorized Device IP addresses or other applicable device identifier (including MAC address or UDID), domain counts and other information deemed relevant, to ensure that our products are being used in accordance with the terms of this Agreement. Parallels reserves the right to remedy violations of any of the terms of this Agreement immediately upon discovery, by charging the then current list price of unauthorized keys to the payment instrument used to make the original, authorized purchase, or by any other means necessary, including remotely disabling the Software. You agree not to block, electronically or otherwise, the transmission of data required for compliance with this Agreement. Any blocking of data required for compliance under this Agreement is considered to be violation of this Agreement and will result in immediate termination of this Agreement pursuant to Section 4.

2.2. License Automatic Update and Expiration.

Your license may include an expiration date that can result in the termination of the license. For permanent (non-lease) license keys, the license updates automatically except if Parallels determines that a license is used in violation of the terms of this Agreement. If your license key is stolen, or if you suspect any improper or illegal usage of your license outside of your control you should promptly notify Parallels of such occurrence. A replacement license will be issued to you and the suspect license will be allowed to expire. For lease licenses, your monthly payment for each month must be processed prior to the expiration date in order for the license updates to be performed. For your convenience Parallels may, but has no obligation to, provide license expiration warnings in the product interface. It is your responsibility to contact Parallels regarding any potential expiration that you deem inappropriate. Parallels shall not be liable for any damages or costs incurred in connection with the expired licenses.

2.3. Proprietary Rights to Software and Trademarks.

You acknowledge that the Software and the Documentation are proprietary to Parallels, and the Software and Documentation are protected under United States copyright and other intellectual property laws and international treaties. You further acknowledge and agree that, as between you and Parallels, Parallels and its third party licensors own and shall continue to own all right, title, and interest in and to the Software and Documentation, including associated intellectual property rights under copyright, trade secret, patent, or trademark laws. Except for the limited, revocable license expressly granted to you herein, this Agreement does not grant you any ownership or other right or interest in or to the Software or the Documentation or any other intellectual property rights of Parallels, whether by implication, estoppel, or otherwise. Any and all trademarks or service marks that Parallels uses in connection with the Software or with services rendered by any of Parallels are marks owned by Parallels. This Agreement does not grant you any right, license, or interest in such marks, and you shall not assert any right, license, or interest in such marks or any words or designs that are confusingly similar to such marks.

2.4. Confidentiality.

You shall permit only authorized users, who possess rightfully obtained license keys, to use the Software or to view the Documentation. Except as expressly authorized by this Agreement, you shall not make available the Software, Documentation, or any license key to any third party, or use the Software, Documentation, or any license key for any purpose other than exercising rights expressly granted to you hereunder. You agree to cooperate with and assist Parallels in identifying and preventing any unauthorized use, copying, or disclosure of the Software, Documentation, or any portion thereof.

2.5. Consent to Use Data.

You agree that Parallels may collect and use technical data and related information—including but not limited to technical information about your device, system and application software, and peripherals— that is gathered periodically to facilitate the provision of software updates, product support, and other services to you (if any) related to the Software. Parallels may use this information, as long as it is in a form that does not personally identify you, to operate, provide, improve, and develop our products, services and technologies, to prevent or investigate fraudulent or inappropriate use of our products, services, and technologies, for research and development, and for the other purposes described in this Agreement or to you as part of our products and services.

2.6. Audit Rights.

During the term of this Agreement and for two (2) years after termination or expiration of this Agreement, Parallels may audit, upon written notice to you, your books, records, and computing devices to determine your compliance with this Agreement and your payment of the applicable license fees, if any, for the Software. In the event that any such audit reveals an underpayment by you of more than five percent (5%) of the license fees due to Parallels in the period being audited, or that you have breached any term of this Agreement, then, in addition to any other rights and remedies Parallels may have, you will promptly pay to Parallels any underpayments plus the cost of the audit.

3. License Fees.

The Software will be available to you for use upon your receipt of one or more license keys. Upon acceptance of this Agreement, you may obtain one or more license keys by paying the requisite license fees, using the procedure set forth on Parallels web site. License fees for term-based licenses are due prior to the commencement of the applicable term, and may be re-billed to the payment instrument you used for your initial purchase upon the commencement of any renewal term. The license fees paid by you are paid in consideration of the license granted under this Agreement. License sales are final and Parallels does not refund license fees under any circumstances. By accepting this Agreement you fully understand that once license fee payment is made to Parallels you will have no recourse for receiving a refund of any part of the fees.

4. Term and Termination.

This Agreement is effective upon your acceptance of the Agreement, or upon your downloading, installing, accessing, and using the Software, even if you have not expressly accepted this Agreement. This Agreement shall continue in effect until expiration or termination as provided herein (the “Term”). Term-based licenses terminate upon the expiration of the prepaid term, unless you have paid all applicable fees to extend the term. Without prejudice to any other rights, this Agreement will terminate automatically without notice to you if you breach or fail to comply with any of the limitations or other requirements described herein, including the payment of any applicable fees, and you agree that in any such case Parallels may, in addition to any other remedies it may have at law or in equity, remotely disable the Software. You may terminate this License Agreement at any time by providing written notice of your decision to terminate the Agreement to Parallels and ceasing use of the Software and Documentation. Upon any termination or expiration of the Agreement

for any reason, you agree to uninstall the Software and either return to Parallels the Software, Documentation, all copies thereof, and all license keys that you have obtained, or to destroy all such materials and provide written verification of such destruction to Parallels.

5. Indemnification

You will, at your own expense, indemnify and hold Parallels, and all officers, directors, and employees thereof, harmless from and against any and all claims, actions, liabilities, losses, damages, judgments, grants, costs, and expenses, including reasonable attorneys' fees (collectively, "Claims"), arising out of any use of the Package (as defined below) by you, any party related to you, or any party acting upon your authorization in a manner that is not expressly authorized by this Agreement.

6. Third Party Software.

The Software is distributed to you with various third party software components ("Third Party Software" and together with the Software, the "Package") which are provided under separate license terms (the "Third Party Terms"), as described in more detail in the "Notices.txt" file included in the Documentation. Information regarding Third Party Software included in the Package is also available on our website at www.parallels.com. You are permitted to use the Third Party Software in conjunction with the Software, provided that such use is consistent with the terms of this Agreement. You may have broader rights to use the Third Party Software under the applicable Third Party Terms. Nothing in this Agreement is intended to impose further restrictions on your use of the Third Party Software in accordance with any Third Party Terms. The Software may also enable interoperation with certain other third party operating systems and applications. Parallels does not provide you with any such third party licenses and it is solely your responsibility to obtain all necessary software licenses from respective vendors.

7. Limited Warranty; Disclaimer; Limitation of Liability.

7.1. Limited Warranty.

If you obtained the Software on physical media (such as a CD or DVD), Parallels warrants for a period of 90 days from the date of purchase (referred to as the "Warranty Period") that the media on which the Software is delivered will be free from defects in material and workmanship. Parallels will replace the defective media during the Warranty Period at no additional cost to you.

7.2. Warranty Disclaimer.

EXCEPT FOR THE SOLE LIMITED WARRANTY EXPRESSLY GRANTED TO YOU IN SECTION 7.1, THE PACKAGE AND DOCUMENTATION ARE LICENSED "AS IS," AND PARALLELS DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, TIMELINESS, TITLE, OR NON-INFRINGEMENT OF THIRD PARTY RIGHTS, TO THE FULLEST EXTENT AUTHORIZED BY LAW. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, PARALLELS EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND FOR THE THIRD PARTY SOFTWARE, AND DOES NOT WARRANT THAT THE PACKAGE WILL MEET YOUR REQUIREMENTS OR THAT OPERATION OF THE PACKAGE WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR FREE, THAT DEFECTS OR ERRORS IN THE PACKAGE WILL BE CORRECTED OR THAT THE PACKAGE WILL BE COMPATIBLE WITH FUTURE PARALLELS' PRODUCTS, OR THAT ANY INFORMATION STORED OR TRANSMITTED THROUGH THE PACKAGE WILL NOT BE LOST, CORRUPTED OR DESTROYED. YOU ASSUME RESPONSIBILITY FOR SELECTING THE PACKAGE TO ACHIEVE YOUR INTENDED RESULTS, AND FOR THE RESULTS OBTAINED FROM YOUR USE OF THE PACKAGE. YOU SHALL BEAR THE ENTIRE RISK AS TO THE QUALITY AND THE PERFORMANCE OF THE PACKAGE.

7.3. Limitation of Liability.

IN NO EVENT SHALL PARALLELS BE LIABLE TO YOU OR ANY PARTY RELATED TO YOU FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, LOSS OF DATA OR OTHER SUCH PECUNIARY LOSS), WHETHER UNDER A THEORY OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY, OR OTHERWISE, EVEN IF PARALLELS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL PARALLELS' TOTAL AGGREGATE AND CUMULATIVE LIABILITY TO YOU FOR ANY AND ALL CLAIMS OF ANY KIND ARISING HEREUNDER EXCEED THE AMOUNT OF LICENSE FEES ACTUALLY PAID BY YOU FOR THE SOFTWARE GIVING RISE TO THE CLAIM IN THE TWELVE MONTHS PRECEDING THE CLAIM. THE FOREGOING LIMITATIONS WILL APPLY EVEN IF THE ABOVE STATED REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

7.4. Certain Limitations.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF OR LIMITATION OR EXCLUSION OF CERTAIN TYPES OF WARRANTIES, DAMAGES, OR LIABILITIES, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU, BUT IN SUCH A CASE THE EXCLUSIONS AND LIMITATIONS SET FORTH IN THIS SECTION 7 SHALL BE APPLIED TO THE GREATEST EXTENT ENFORCEABLE UNDER APPLICABLE LAW.

8. General Terms

8.1. Feedback.

If you provide any ideas, feedback, suggestions, materials, information, opinions, or other input to Parallels ("Feedback"), regardless of any accompanying communication, Parallels has no obligation to review, consider, or implement your Feedback, all such submissions are made on a non-confidential basis, Parallels and its successors and assigns have an unconditional and unlimited right to use, reproduce, modify, and disclose such Feedback without any compensation or attribution, and you waive and agree not to assert any so-called "moral rights" you may have in the Feedback.

Any claim or dispute arising in connection with this Agreement shall be resolved in the federal or state courts situated within the Western District of Washington. To the maximum extent permitted by law, you hereby consent to the jurisdiction and venue of such courts and waive any objections to the jurisdiction or venue of such courts. This Agreement shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.

8.3. Severability.

If any term or provision of this Agreement is declared void or unenforceable in a particular situation, by any judicial or administrative authority, this declaration shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation. To the extent possible the provision will be interpreted and enforced to the greatest extent legally permissible in order to effectuate the original intent, and if no such interpretation or enforcement is legally permissible, shall be deemed severed from the Agreement.

8.4. Survival.

Articles 2, 5, 7, and 8 of this Agreement and all Sections thereof, shall survive the termination or expiration of this Agreement, regardless of the cause for termination or expiration, and shall remain valid and binding indefinitely.

8.5. Headings.

The Article and Section headings contained in this Agreement are included for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

8.6. No Waiver.

The failure of either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breaches.

8.7. Amendment.

Parallels reserves the right, in its sole discretion, to amend this Agreement from time to time by posting an updated version of the Agreement on www.parallels.com, provided that disputes arising hereunder will be resolved in accordance with the terms of the Agreement in effect at the time the dispute arose. We encourage you to review the published Agreement from time to time to make yourself aware of changes. Material changes to these terms will be effective upon the earlier of (i) your first use of the Software with actual knowledge of such change, or (ii) 30 days from publishing the amended Agreement on www.parallels.com. If there is a conflict between this Agreement and the most current version of this Agreement, posted at www.parallels.com, the most current version will prevail. Your use of the Software after the amended Agreement becomes effective constitutes your acceptance of the amended Agreement. If you do not accept amendments made to this Agreement, then it is your responsibility to terminate this Agreement pursuant to Section 4.

8.8. Taxes.

You shall, in addition to the license fees required under this Agreement, pay all applicable sales, use, transfer, or other taxes and all duties, whether national, state, or local, however designated, that are levied or imposed by reason of the transaction contemplated under this Agreement, excluding income taxes on the net profits of Parallels. You shall reimburse Parallels for the amount of any such taxes or duties paid or incurred directly by Parallels as a result of this transaction, and you agree that Parallels may charge any such reimbursable taxes to the payment instrument you used for your initial payment.

8.9. Export Controls.

You may not use, export, re-export, import, sell or transfer the Software except as authorized by United States (U.S.) law, the laws of the jurisdiction in which you obtained the Software, and any other applicable laws and regulations. You represent and warrant that (i) you are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a “terrorist supporting” country; and (ii) you are not listed on any U.S. Government list of prohibited or restricted parties. If the Software is acquired by or on behalf of an agency, department, or other entity of the U.S. Government (“Government”), the use, duplication, reproduction, release, modification, disclosure, or transfer (“use”) of the Software, and any related technical data of any kind, including manuals and Documentation, no matter how received by the Government, is restricted by the terms and conditions of this Agreement in accordance with FAR 12.212 for civilian agencies, and Defense Federal Acquisition Regulation Supplement 227.7202 for military agencies. Czech Republic

IF YOU ARE DOWNLOADING, INSTALLING, OBTAINING A LICENSE KEY OR OTHERWISE ACCESSING OR USING THE SOFTWARE WHILE YOU ARE LOCATED IN THE CZECH REPUBLIC, THE FOLLOWING TERMS AND CONDITIONS SHALL APPLY, AND TO THE EXTENT INCONSISTENT, SUPERSEDE THE APPLICABLE TERMS AND CONDITIONS CONTAINED IN THE AGREEMENT:

1. Audit Rights. During the term of this Agreement and for two (2) years after termination or expiration of this Agreement, Parallels may audit, upon written notice to you, your books, records, and computing devices to determine your compliance with this Agreement and your payment of the applicable license fees, if any, for the Software. In the event that any such audit reveals an underpayment by you of more than five percent (5%) of the license fees due to Parallels in the period being audited, or that you have breached any term of this Agreement, then, in addition to any other rights and remedies Parallels may have, you will promptly pay to Parallels any underpayments plus the cost of the audit. Information acquired during the control shall not be provided to any third party, used for commercial purposes and must respect the relevant provisions of the Act no. 121/2000 Coll., on the protection of individuals with regard to the processing of personal data. Information acquired during such audit shall be used only for the purposes of findings related to the Agreement, compliance and license fee payments.

2. License Fees. The Software will be available to you for use upon your receipt of one or more license keys. Upon acceptance of this Agreement, you may obtain one or more license keys by paying the requisite license fees, using the procedure set forth on Parallels web site. License fees for term-based licenses are due prior to the commencement of the applicable term, and may be re-billed to the payment instrument you used for your initial purchase upon the commencement of any renewal term.

(1) Right of withdrawal regarding software delivered by download or by electronic key

If you are a consumer you have the following statutory right of withdrawal. You may withdraw from the contract in written form (e.g. letter, fax, email) without giving any grounds and within a period of 14 days.

If you have purchased software by download from the Parallels' web pages this provision shall only apply until you started the download. If you have purchased software by an electronic installation key entitling you to download it from third parties, the right of withdrawal shall only be applicable until we send you the key by email. After this point in time, your right of withdrawal expires.

The time limit of 14 days for any assertion of your right of revocation begins at the earliest on the day after the conclusion of the contract and after you have received this instruction in written form but not before we complied with our information obligations under Sec. 53 (4) (6) Czech Civil Code. To comply with the time limit it is sufficient to send the withdrawal notice in due time to Parallels International GmbH, Vordergasse 59, Schaffhausen, Switzerland.

In case of an effective withdrawal the parties shall each return the services received as well as the benefits drawn from utilization (such as the use and enjoyment).

(2) Right of withdrawal regarding box products

If you are a consumer you have the following statutory right of withdrawal. You may withdraw from the contract without giving any grounds by delivering us your withdrawal notice within 14 days from the date of delivery of the goods and sending the goods back to us.

In case you purchased software on data carriers this shall only apply as long as the goods are still sealed; this means as soon as you have opened the sealed packaging (protective cover) your right of withdrawal expires.

The time limit of 14 days for any assertion of your right of withdrawal begins at the earliest on the day after the reception of the goods and after you received this instruction in written form but not before we complied with our information obligations pursuant to Sec. 53 (4) (6) Czech Civil Code. To comply with the time limit it is sufficient to send the goods together with the withdrawal notice in due time. You bear the costs and the risk of the return. Return shall be made to Parallels International GmbH, Vordergasse 59, Schaffhausen, Switzerland.

In case of an effective withdrawal, the parties shall each return the services received as well as the benefits drawn from utilization (such as the use and enjoyment). In case of deterioration of the goods Parallels is entitled to claim compensation for lost value. This shall not apply if the deterioration of the goods is solely caused by an inspection which you could have made in a “classic” retail store. Besides, you can avoid your obligation to pay compensation for lost value (due to the deterioration caused by the regular use of the purchased good) by refraining from using the goods like an owner and by refraining from anything that could impair the value of the goods. Any duty to reimburse payments must be complied with within 30 days. This time limit begins for you upon sending of the goods and for us upon reception.

3. Governing Law and Choice of Forum. This Agreement shall be governed by and interpreted in accordance with the laws of the state of Washington, without regard to the conflicts of law rules thereof. UPDATED DECEMBER 2014

Parallels (“we”, “us”, “our”) knows that information privacy and security are important to you and we are committed to protecting the information you entrust to our care. Knowing our customers helps us to better serve them, so we place a high value of protecting personal information.

Much of the information we collect is not personally identifiable.

- Payment data such as payment cards and bank accounts;
- Billing, shipping and other purchasing and shipping information;
- Records of transactions, including purchases, inquiries and service requests;
- Authentication data such as user name and password to verify access.
- Information Collected Automatically

We may collect and store information about how you use our website(s) and applications, including your use of a desktop feature that takes you online. For visitors to our website(s) we collect IP address, browser type and other information such as search terms. For callers to our support service center, for example, we may collect the phone number used to facilitate communicating with you.

We use cookies on our website to remember user preferences and to enhance our website services. Cookies are small identifiers we transfer to your computer to enable our systems to recognize your device and to provide features and advertising. You can learn more about cookies and controlling how your computer accepts and stores cookies and similar identifiers by [clicking here](#). You can block cookies though this might disable certain features that you find convenient. In general, information we collect through cookies does not identify you.

Information from Applications

Parallels collects limited information from users of our desktop and mobile applications, including product registration information, non-identifying indicators of operating system version, IP address, referring URLs and other information about your use of the product.

Minimizing Personal Information Collection

We strive to collect only that information needed to serve the purpose requested by the individual and to maintain only that personal information that is relevant to those purposes.

Information Uses

Parallels uses your information to serve you and meet your needs to our best ability. For example, when you use our website, the cookie helps recognize you and your preferences. We use your product purchase and registration information to keep you informed about updates, patches and other advisories. We use it to process your purchases, manage subscriptions, send messages and provide product support.

We also use your information for research into improving our products and services, for planning new features and updates and to customize and improve our websites. For the safety of our customers and employees, we may use information we collect to detect and prevent potential or actual claims and prohibited behaviors, such as fraud or attempts to breach our information security.

Information Sharing

In order to serve your requests and needs, we work with trusted third parties that help us run our business. These companies may process payments, fulfill orders, send email or conduct other activities on our behalf. We only share the information needed by them to serve the specific purpose for which they are engaged and we do not allow them to use your information for unauthorized purposes.

We share your information with our business divisions and affiliated companies for purposes described in this notice and only for legitimate business purposes.

We will share your information when you specifically permit that sharing. And we will share your information when, in good faith, we believe it is necessary to prevent or respond to fraud, defend our interests or protect our customers, employees or the public. We may disclose personal information if we are required to by law or legal process or in response to requests by government agencies or as required for national security.

Should Parallels merge with or be acquired by another company or we sell product lines, service activities or other assets, it is likely your information will be transferred as is appropriate and relevant.

We may share aggregated and anonymized information (non-identifying) such as statistics about website visitors, product users or other uses of our products and services.

Information Choices for Use & Sharing

Parallels provides you the opportunity to choose how we use your information and with whom we share it. You may choose to not provide your information, though that will likely prevent us from providing certain services. You can choose to receive or to stop receiving Parallels marketing materials, newsletters and subscriptions. We retain the right to send customers messages concerning purchases, critical updates and other administratively necessary information. You cannot opt-out of these messages.

You may give or withhold permission for Parallels to share your information for marketing purposes with trusted vendors and partners. You can make and manage your choices by signing in to the “My Account” feature on our website. You can also respond to our electronic communications and subscriptions with an “Unsubscribe” message in the subject field.

Information Access for Changes

Our website and applications allow you to edit your personal information by accessing the “My Account” or similar feature of the website or application you are using. We protect our customers’ privacy and security by limiting the amount of information you can access and edit. You may be able to delete some, but not all, information, as our legal obligations require that we retain specific information for legal and internal business reasons. If you do change your current information, you should be aware that the previous record may be retained on backup records, in compliance with applicable law.

Information Security

We use administrative, physical and technical safeguards to protect personal information. We utilize encryption technologies for sensitive data sent from our web sites. We deploy reasonable safeguards across our company databases to prevent unauthorized access, disclosure or loss of personal information. We require our vendors and agents to use safeguards that protect information at least at the same level as our own safeguards.

We maintain customer information for as long as we need it to provide the requested services. When personal information is no longer needed to serve the purpose of its collection, we strive to de-identify the data, creating aggregated, anonymous records to aid our research and to improve our products, services, and communications. When we do discard personal information, we employ data destruction techniques designed to completely destroy data and prevent any future recovery.
